Jonah (Narrator): Battle on the Road to Mahogany!
The group walks along a forest route leading toward Mahogany Town

Avery: Hmm, which way should we go from here?

Dawn: There are a couple of routes here, but this one leads more directly to Mahogany Town.

Sakura: It sounds like the fastest option to take in order to reach there.

Ash: That sounds like a good plan to me. Good thinking, Sakura.

Max: Well, let's not get lost again. I don't think Togepi likes to be lost.

Dawn We'll be fine, Max. We have your back.

Raye: And we got each other's company.

Jonah: Totally true.
Jonah questions Raye about her battle yesterday

Jonah: Hey, Raye...how are you feeling now? You were saddened after your battle with Reese.

Raye: Honestly, I did feel disappointed after the battle with her yesterday. **Smile** But I feel a lot better now.

Jonah: **Smile** That's good, just making sure that you're not sad anymore.

Raye: But that loss, it helped me realize what I need to work on. Training is important that I need to focus on.

Ty: **Nods approvingly** That's the right mindset. Make sure you won't fall behind.

Raye: **Smile** Thanks, Ty. I really appreciate it.

Ash: You're getting better on your steps despite that you lost. You don't need to lose focus.

Raye: **Smile** Then I'll keep improving more.

Ty: **Smile** That's what I like to hear!

Teddiursa: Teddiursa.
Ty walks slightly ahead, focused and serious

May: And you're pretty ready about your next Gym battle?

Ty: **Confident** Yeah. I can't stop thinking about that. It doesn't matter if it's going to be tough, but I'm ready for it. I want that next badge.

Max: You've been training non-stop all day. That saves your strength with your pokemons.

Ty: And I won't stop. I'm still aiming for the Indigo Plateau League once I complete my badges. **Clenches fist slightly** When I'm fully trained with Teddiursa and all my Pokémon…I'll be the one who wins it.

Teddiursa: Ursa!

Ash: Heh, sounds like we might meet there as rivals.

Ty: Will wait and see, but I'm counting on it.

Jonah: **Smile** You have some serious determination.

Sarah: **Smile** That is why he's my favorite cousin that I imagined.

Ty: Much appreciated, Sarah.
While walking, Togepi happily clings to Max's arm, giggling softly

Togepi: Toge-toge.

Max: **Laughing gently**
Hey, careful! You're gonna make me lose balance.

Togepi: Togepi!

Max: **Laugh gently**

Dawn: Looks like Togepi is having fun with you.

Max: **Grinning** Yeah, he likes hanging around with me when I carry him.

May: That's nice of you, Max. But you haven't played your handheld console in a while, have you?

Max: Not really. I still have it with me, but I decided to take a break by focusing on Togepi.

Togepi: Togepi.

May: **Smiles warmly** You're a good taker.

Sakura: Your brother is growing a good bond.

May: He is.
While the gang are walking, deep within a dense forest. Hidden among the trees, Team Skull watches from the shadows, Guzma stands at the front, holding binoculars, observing the group from a distance

Guzma: Heh... there they are. The loser gang once again.

Plumeria: Heh. Those kids don't have good potential for us since we were outnumbered back in Ecruteak City.

Guzma: Yeah… and this time, we're not lettin' them slip away. Especially that Manaphy…
Manaphy happily floating near the group in the distance

Plumeria: That Pokémon's rare is still our target to capture.

Yuho: Hey boss. I got the gear ready. One clean shot, and that Pokémon's ours.
Yuho shows Guzma a net launcher

Guzma: **Chuckles approvingly** That's what I like to hear, Yuho. With this, that pokemon is ours.

Tupp: So what's the plan? We rush in or what?

Rapp: Heh, I’m ready to grab ‘em in no time.

Guzma: Nah, we’re doin’ this smart. I have a plan.
He turns to face all of them, expression turning serious

Guzma: Listen up. We sneak in quietly without messin’ around. Take them by surprise. Don't let ‘em see you comin’.

Rapp: Got it.

Tupp: **Whispering excitedly** This is gonna be good…

Zipp: Heh. It'll be easy to win.

Guzma: **Grins confidently** Alright, Team Skull, let’s make this count.
They begin moving stealthily through the forest, staying low and hidden among the trees. The group continues walking along the forest route

Raye: You know, I kept thinking back on my battle with Reese yesterday.

Dawn: Yeah?

Raye: **Smile softly** That battle was a tough one, but It was actually really fun.

Dawn: **Smile** Reese's Pokémon were strong as well during your battle between each other.

Raye: And It felt like I learned so much after I lost. It was a really valuable experience.

Jonah: It was a kind of battle for the best.

Ash: Battles help you grow stronger, that help build your skills and strategies.

Pikachu: Pika!

Raye: That's what I mean. I don’t regret it at all.
Sarah walks slightly closer to Raye

Sarah: **Smile** That’s the right way to look at it. Losses don’t define you, what you do after them does. That helps to encourage.

Raye: **Smile** Thanks, Sarah. I respect that.

Sarah: **Smile** You'll improve once and accomplish your goal, which leads you to your dream.

Raye: **Light laugh**

Ty: Every battle is an opportunity for success, if you learn from it.

Lillie: That won’t waste your opportunity.
Manaphy was floating with the gang, singing

Manaphy: Mana, manaphy.

Avery: We’re making good progress!

Sakura: At this rate, we’ll reach Mahogany Town in no time.

Max: Yeah! Nothing’s gonna stop us now—
Suddenly—rustling in the trees. The atmosphere shifts

Ash & his friends: Hm?

Sarah: Did you hear that?

Ty: Yeah. I feel it too.

Ash: It could be a wild pokemon or something. Stay alert–
Suddenly, Team Skull jumps out from the trees, surrounding the group

Guzma & his grunts: Yo! Yo! Yo!

Max: What the?!

Guzma: Miss us, losers?

Ty: Grrr. Figures.

Lillie: Team Skull!

May: Not them again!
Guzma steps forward with a confident grin, followed by Plumeria

Guzma: **Mocking** I'm sure you're happy to see us again.

Ash: I don't think so, Guzma!

Guzma: Hah... you should've expected it. We don't forget unfinished business.

Ty: What do you want this time? We took care of you and your grunts for a lesson since we defeated you back at Ecruteak City.

Guzma: **Mocking** Hehehe. What do I want? **Glances at Manaphy** The same thing as before.

Rapp: Yeah, and we're talking about that pokemon you have.
Manaphy floats scared near the group

Manaphy:

Manaphy: Stay close, Manaphy.

Ash: We're not letting you take Manaphy from us!

Guzma: **Evil Laugh** We'll see about that! Let's show them some mercy!

Plumeria & her grunts: Yeah!!
Guzma, Plumeria and their grunts throws their poke balls, sending their pokemons to battle against Ash's team

Dawn: If that's what they want, then we're not going anywhere until we deal with them!

???: And you're looking at it.
The trainer’s Blaziken who saved the gang reveals to be Harrison

Ash: **Surprised** Harrison!

Pikachu: Pika!

Harrison: **Smile** What's up, Mr. Champion.

Ash: I can’t believe it’s really you after all.

Pikachu: Pika, pika!

Ash: And I remember you from the Silver Conference since we battled there!

Harrison: Yeah, that was a great match.

Avery: You know this trainer?

Ash: Yeah, this is Harrison! He's a trainer that I battled back in the Silver Conference.

Harrison: Nice meet you all.

Ty: Nice to meet you, Harrison. Your Blaziken really helped us back there.

Teddiursa: Teddiursa.

Jonah: And that was a perfect timing, he was amazing.

Avery: **Excited** You turned the whole battle around into a heroic moment.

Harrison: Hehe, sure. So what's going on? Who were you battling right before I saved you?
The gang explained the situation to Harrison about earlier

Ty: We have a bigger problem. Those bullies who we battle with are Team Skull, a criminal gang who steals other pokemons. And they captured one of our friends.

Dawn: We have to get them back, they could still be in danger.

Jonah: We can still catch them if we don't move fast.

Raye: He's right. They are the only chance for us to stop those grunts.

Ty: And there's one thing to say, Harrison. Will you help us

Harrison: Of course. I'm with you. I'll back you up to save your companions.

Blaziken: Blaziken.

Ash: Thanks, Harrison. All right, everyone. Let's get our friends back.

Avery: Look…they left with tracks on.

Raye: It looks like they've headed through there.

Harrison: All right, everyone. Let's lead the way.
Ash, his friends and Harrison follow the tracks that Team Skull left. At the plain field, Team Skull stands gathered while May, Max, Lillie, Togepi, and Manaphy are trapped inside a hanging net nearby

May, Max & Lillie: **Struggling**

May: Let us go! You can't keep us like this!

Plumeria: **Mocking** Hah! Like if I listen to you.

Max: **Angry** That is called kidnapping! And you're all kidnappers!

Lillie: Max, calm down!

Plumeria: **Annoyed** Quiet down already, you're giving me a headache.

Team Skull Male Grunt 2: Boss, we only needed that Manaphy only. Why don't we just take it and ditch the kids?

Guzma: Nah… Taking all of 'em is way better. It's more leverage and fun.

Max: **Furious** You won’t get away with this! Ash and his friends are gonna find us, and when they do, you’re done!

Togepi: Togepi.

Manaphy: Manaphy.

Guzma: **Mocking** You really think your friends can stop me? Yeah, right.

Lillie: Ash and the others won’t give up on us! They will come and help us!

Rapp: All right, enough already. You wasted arguing too much.

Tupp: Yeah, they’re just acting like babies. When do we leave, boss?

Guzma: We're moving out, they're friends won't find them here.

Yuho: Understood, Boss.
Team Skull agreed while May struggles of the net

May: This net won’t break!

Lillie: We have to keep trying!

Guzma: **Smug** Let’s see if your friends can keep up.

May, Max & Lillie: **Mad**

Manaphy & Togepi: **Scared**
A path far from the forest. Ash and the group continue moving quickly, scanning the area for any sign of Team Skull

Ty: Any signs of them?

Ash: Not yet. They’ve gotta be close.

Ty: They wouldn’t go far carrying that net.

Jonah: We're worried about them, I hope they're all right.

Harrison: They'll be fine. We have to keep following their tracks.

Sakura: He's right. They can't be very far. We can still reach them.
The gang are still searching together while Pikachu and Pachirisu tracks down more footprints

Pikachu: Pika Pika.

Pachirisu: **Chirping**

Dawn: Look. More trail’s still fresh. We’re on the right path.

Ash: That's good. Pikachu, Pachirisu, Teddiursa, can you scout ahead and more footprints?

Pachirisu: **Chirping**

Teddiursa: Teddiursa.

Pikachu: Pika.

Ty: Be careful, you three.
Pikachu, Teddiursa and Pachirisu nodded, began to scout, quietly dash ahead through the ground

Sarah: They're smart at this. They'll set up somewhere open.

Avery: So they can see us coming.

Harrison: Let the Pokémon handle the scouting first.
Pikachu, Teddiursa Pachirisu move carefully through tall grass, keeping low and quiet, peeking over the a small ridge

Pikachu: **Whispering** Pika…

Pachirisu: **Whispering & chirping**

Teddiursa: Ursa…

Zipp: Yeah, kid! No one likes you!

Pikachu: Pikachu.

Teddiursa: Teddiursa.

Pachirisu: **Chirping**
They rush back to their companions quickly, explaining them

Ash: Guys. Did you find anything?

Pikachu: Pika, pika.

Pachirisu: **Chirping**

Teddiursa: Ursa, ursa.
They follow Pikachu and their buddies to the location where they found

Dawn: They found them. In the plain field.

Ty: They're still holding them captive, our friends are okay.

Avery: But still, they're still trapped. We have to save them faster.

Jonah: If we rush in, they might use them as shields.

Ash: We have to find a way to distract them.

Harrison: I have a plan.
The gang listens to Harrison's plan

Harrison: Sarah, Avery. Circle around the plain field, get in position near the captives. Wait for an opening. When we distract them, you tell your pokemons to move in and free them. Can you do that?

Sarah: **Smile** Yes.

Avery: **Smile** That's kind of my thing.

Harrison: Wait for my call until I tell you.

Sarah & Avery: Got it.

Ty: And we'll keep Team Skull busy.

Raye: And will give them an opening.

Ash: All right, everyone. Get ready.
Team Skull moves across the plain field with the net of captives while Ash's team hides into the grass field

Plumeria: All right, we're leaving now. Those kids were late to save them.

Lillie: Let us go now!

Manaphy: **Scared** Mana…

May: **Comforting** Please don't be scared, I Manaphy.

Guzma: Let's get out of here before Ash and his friends shows up–

Ash: That's far enough!

Guzma & his grunts: **Surprised**
Suddenly, Ash and the others step out, blocking their path

May & Max: **Relieved** Ash!

Lillie: **Relieved** You made it!

Togepi: **Relieved** Toge-pi!

Manaphy: **Relieved** Mana!

Ty: You bullies aren't going anywhere. Let them go!

Dawn: You're completely outnumbered! There's no way you're getting away this time!

Guzma: **Mocking** Hah! That's funny. You still don't get it, do you?

Rapp: We've got your friends here, and we're taking them with us. You're the ones at a disadvantage.

Ty: Who knows if you're at a disadvantage or not. But we're battling with you right away!

Guzma: Fine by me. Grunts, show 'em what we've got!

Plumeria & her grunts: Yeah!!
The grunts throws their poke balls by sending of their Pokémon to battle

Max: **Cheering** Yeah, that's right! Give them what you got, guys!

Golisopod: Goli!!

Max: **Freezes instantly**

Max: Umm…

Golisopod's sharp eyes glaring up at Max, making him nervous. At the hidden grass nearby, Sarah and Avery were waiting for their position

Victreebel was countered by a combo attack of both Sneasel and Blaziken

Yuho: What!? What was that for!?

Zipp: He used his pokemon as a perfect combo!

Tupp: That's insane!

Ash: That was awesome, Harrison.

Ty: You did good teamwork.

Harrison: All in the days worth.

Jonah: We still need to save our friends.

Raye: Right! We need to hurry before they leave.
The gang still needed to focus by saving their friends, still struggling into the net

Rapp: They're coming after us!

Team Skull Male Grunt 3 & 4: **Shocked** Eehhh!!
Pachirisu and Litten attacks both grunts, causing to struggle

Sarah: Are you all right?

Max: Yeah, we're good.

May: Thank you two.

Guzma: You fools! Get them, Golisopod!

Golisopod: Golisopod!!

Ash: Raye, Sakura!

Raye & Sakura: Right!

Ash, Raye & Sakura: Quick Attack!

Pikachu: Pika, pika, pika, pika!

Espeon: Espeon, esp, esp!

Eevee: Vee, vee, vee, vee!

Golisopod: **Being hit**
The three Pokémon dash forward simultaneously, striking Golisopod from multiple angles

Guzma: **Mad** Grr! You made me sick! Scizor, attack!

Scizor: Scizor!

Harrison: Houndoom, use Headbutt!

Houndoom: Houn! Houn!

Scizor: **Being hit**
Houndoom charges forward and slams into Scizor with a powerful Headbutt

Guzma: What!? How!?

Avery: Looks like they're done for!

Ty: Now it's my turn to send them away! Gyarados, go!

Gyarados: **Roaring**

Ty: Now, use Hydro Pump!

Gyarados: **Roaring**

Guzma & his grunts: **Shocked** Aaahh!!
A massive torrent of water blasts forward, overwhelming the remaining grunt Pokémon and sending them flying back

Guzma: THIS IS THE SECOND TIME YOUR BLOWING US AWAAAYY!!
They are blasted off, crashing into the distant woods

Dawn: We did it!

Sakura: All right, everyone!

Raye: They didn’t stand a chance once we worked together.

Jonah: Teamwork made the difference.

Pikachu: Pika Pika.

Eevee: Vee, vee.

Teddiursa: Teddiursa.

Togepi: Togepi.

Manaphy: Manaphy.

May: You're safe. I'm happy for you.

Manaphy: Mana.

Togepi: Togepi.

Max: Hey, Togepi. You're okay.

Lillie: You guys were amazing. Who's this?

Ash: This is Harrison, he's the one who helped us.

Harrison: **Smile** Nice to meet you, they could've done it with my help.

Max: Hey, I know you. You're the one who defeated Ash in the Silver Conference! I saw you on TV.

Harrison: That's right. He and I had a great time.

Ash: We were good, but he won after I lost against him.

Dawn: That's so cool.

Ty: Amazing. You two have a high potential.

Harrison: Just like old times, Ash.
Later, the sun sets over the horizon, painting the sky in warm orange and gold. The group stands together on a quiet path after the battle

Ty: Looks like everything worked out.

Jonah: Yeah. That was intense, but we did it.

Avery: Everyone pulled their weight.

Sarah: And we got everyone back safely.

May: I'm really grateful for that.

Harrison: So your heading to Mahogany Town right now?

Ty: Yeah, I'll be forward for my gym battle, it's calling me.

Teddiursa: Teddiursa.

Harrison: Here's some tip for you. You can take the shortcut just ahead through the hill. That way, you'll reach your destination.

Avery: Really?

Harrison: **Smile** It'll get you there faster, perfectly.

Ty: That'll help a lot.

Ash: Thanks for the advice, Harrison. It works for us.

Harrison: No problem.
After giving a tip for a shortcut, the gang bidded a farewell to Harrison

Ash: It was great seeing you again, Harrison!

Pikachu: Pika Pika!

Harrison: Same here, Ash. Take care on your journey.
Harrison turns and walks off as the sun sets behind them

Ash: All right, let's head to Mahogany Town now. I'm sure your ready for, Ty.

Ty: **Hyped up** Of course. I'll be ready!

Teddiursa: **Excited** Teddiursa!

Sakura: Let's get going before it gets dark.

Dawn: Yeah.
The gang resumes walking while May May walks up beside Ash

May: Hey, Ash… thanks for saving us. We owe you one.

Ash: Of course, May. That’s what friends do.

May: **Giggles** Always.

Pikachu: Pika, pika.

Manaphy: Manaphy.

Jonah: Come on, you two. We can't leave you behind.

Ash & May: Right!
The group begins walking down the path, silhouettes against the sunset

Narrator: After a fierce battle and a successful rescue, Ash and his friends continue their journey stronger than ever! With Mahogany Town ahead and new challenges waiting, their adventure is far from over!

To be continued...

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
